Namasté!

How nice that you are beginning your Momoyoga journey!

With Momoyoga, you can easily book, cancel, and pay for classes at your yoga studio. With 3 simple steps, we'll get you up and running in no time.

Don't worry - we'll guide you step-by-step through the process.

We've summarized the instructions below in a short video. [Feel free to check it out!](#)

Once you've created your yogi account, you can use the Momoyoga app. You can find this in the [App](#) or [Google Play Store](#) on your phone. The app can be used to book and cancel classes.

## Step 1: Sign up via your studio's online schedule

Before you get started, you'll need to create your free yogi account. Head to the **studio's online schedule** or the **registration link** if it was communicated with you by the studio. If you have received a welcome email, start with step 4.

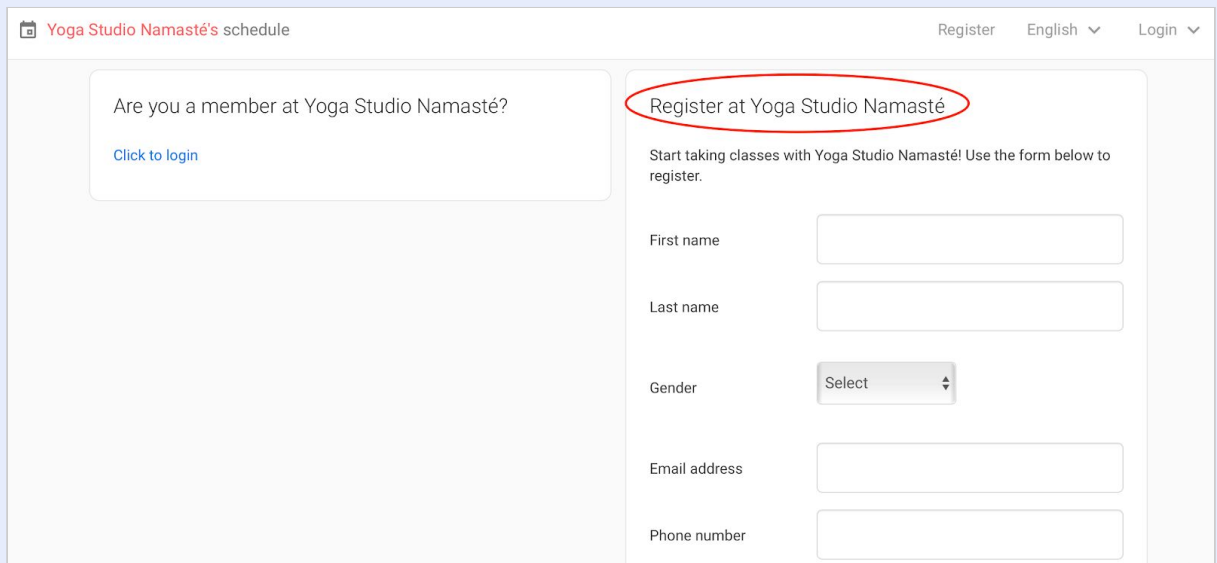

*Please note: You won't have to register via Momoyoga.com (it's for studio's only).*

Once you've opened the **studio's online schedule** page, follow the steps below:

1. Click **Register** in the upper right corner. Here, you can also switch to your language of choice

2. Fill out all required information. Make sure to use a valid and accessible email address. You'll need it for the next step

On the right side, there is a registration form with the heading 'Register at Yoga Studio Namasté' circled in red. Use the form below to register.' and five input fields: 'First name', 'Last name', 'Gender' (a dropdown menu with 'Select' and a dropdown arrow), 'Email address', and 'Phone number'.

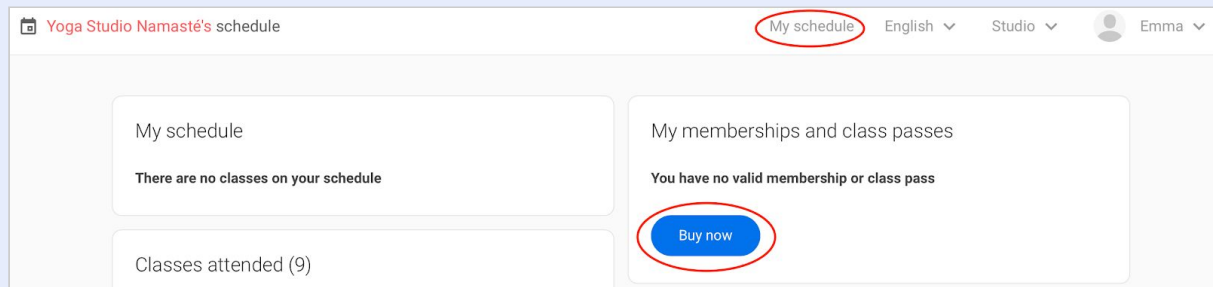

3. Click **Register** and check your email inbox
4. Open the first link in the welcome email (**Click here to get started**)
